SUN PROTECTION POLICY
This policy will be added to our school website http://www.hackhame.sa.edu.au/parentinfo.htm shortly.

The policy states:
Sunscreen (30+) broad spectrum is recommended for skin not protected by clothing. Application is recommended 15 minutes before going outside.

- All children are expected to have their own supply.
- Units will be supplied with sunscreen also. Parent consent will be sought for use on their children.

Children are expected to have and apply their own sunscreen. Teachers will remind students to apply sunscreen, especially prior to PE lessons and other outdoor activities. If your child has sensitivity to sunscreen, please notify your teacher that, in the event of them not having their own, school sunscreen is not to be used.

STUDENT GROUNDS COMMITTEE
Kyle and Brandon head our student Grounds Committee made up of volunteers like Zac, Robert, Isaac and Anthony. This group have spent their lunch times clearing dirt from the drains. They are doing a magnificent job. Well done boys!

Principal

CLIPPERS FOR CANCER 2010
Last year our class held a fundraiser to support the McGuinness McDermott Foundation. 25 students collected donations and shaved their heads, not only to raise money but also awareness for an important cause. We set ourselves a goal of raising $200, but were amazed when we raised $1860!

This year, we are holding the event again on Monday 1st March and we are pleased to have nearly 80 boys taking part this year from Miss Tank’s, Mr Koutsoukos’ and Mr Lamshed’s classes. We also have schools in New Zealand and the USA joining us this year. If you would like to support our cause, donations can be made at the front office or to Mr Lamshed’s class. Our “Shave Day” begins at 9:00am in the Gym hall and we welcome anyone who would like to come and watch the festivities. Donations can also be made on the day.

Mr Lamshed
